

HD Diesel Emission Reduction Program

What: We are offering a one-day training course to help our industry to comply with HD Diesel smoke inspections required under the Annual Smoke Inspection Program (Periodic Smoke Program), Health and Safety regulation 43701. The course emphasis will help our industry obtain the requirements of Title 13 CCR, Chapter 3.6, Section 2190-2194. Students will perform the opacity test with the SAE 1667 equipment.

When: February 2, 2007 (8 hours)
Friday
12:00 p.m. - 8 p.m.

Where: College of Alameda
Diesel Building AE@
555 Atlantic Ave.
Alameda, CA 94501

Cost: \$125.00

Payment for class is made to the A**COLLEGE** of ALAMEDA@. Please contact the Office of the Vice President of Instruction (510) 748-2352 for payment information.

For other course information, call Michael Robertson at (510) 748-2393.

This course is designed for mechanics, technicians and engineers to supplement their knowledge of heavy-duty diesel engine emission compliance and testing.

Classes are held the first Friday of the months of October, November, February, and March

Sponsored by
California Council on Diesel Education and Technology
and the Air Resource Board
